EACH CASE CONTAINS:

- No.
1. **25 Candidum.** The well known pure White Lily.
 2. **25 Longiflorum.** The pure White Japan trumpet-shaped Lily.
 3. **25 Tigrinum.** The Tiger Lily, red, with brown spots.
 4. **25 Umbellatum.** Large truss of upright orange red, brown shaded and black spotted flowers.
 5. **25 Speciosum Rubrum.** The white, with dark red spots, Japan Lily.
 6. **25 Speciosum Roseum.** The white, with light red spots Japan, Lily.
 7. **10 Elcelsum or Testaceum.** A fine tall grower, Chalcedonicum like, very large Isabel colored flower.
 8. **10 Speciosum Album.** The pure white Japan or Lancifolium Lily.
 9. **10 Umbellatum Erectum.** Dark orange, with yellow shades and brown spots, very showy.
 10. **10 Umbellatum Incomparabile.** The finest of this class, extra large truss, with brilliant brownish red shades and brown spots ; extra.
 11. **10 Thunbergianum Fulgens or Atrosanguineum.** Fine dwarf-growing variety, brown red, with darker shades and black spots.
 12. **10 Thunbergianum Aureum Nigro Maculatum.** The finest dwarf variety of this class, golden yellow, with silvery shades and blackish-brown spots. This variety has been sold under many different names, such as: *Aureum*, *Aureum Maculatum*, *Grandiflorum Aureum*, *Citissimum Maculatum*, *Auranliacum*, *Idens Sato*, *Ogontio*, *Kikak*, *Kimi Gajo*, *Sayets*, &c.
 13. **5 Thunbergianum Biligulatum.** Brownish orange, with dark shades and slightly spotted. Sold also as *Auranliacum Multiflorum*.
 14. **5 Thunbergianum Pictum.** Golden yellow, with orange red shades on the edges and points of the petals and small black spots at the center; of an extra fine form, very showy. Sold also under the names of: *Tu Ehul*, *Auranliacum Multiflorum*, *Bicolor* and *Grandiflorum Multiflorum*.
 15. **5 Umbellatum Fulgidum.** Fine truss, yellow, with brownish red shades and black spots.
 16. **5 Umbellatum Punctatum.** Fine orange, with darker shades and spots; fine truss.

17. **2 Candidum Speciosum.** A fine variety of the common French white Lily.
18. **2 Candidum Striatum** or **Maculatum.** Very curious; the flowers, stem and bulb being covered with small spots.
19. **2 Cadidum Flore Pleno.** The so called double flowering white Lily.
20. **2 Speciosum Rubrum Multiflorum.** A fine variety of the red Japan Lancifolium Lily, with larger corymbs of flowers.
21. **2 Thumbergianum Sanguineum.** Large truss, dark red, with light yellow shades and black spots; showy.
22. **2 Thumbergianum Grandiflorum.** Very glossy dark brown red, with blackish shades and spots; extra fine color, very showy.
23. **1 Speciosum Punctatum.** Pure white Japan Lancifolium, with very pale rosy spots; rare and fine variety.
24. **1 Speciosum Roseum Verum.** The true or extra Japan lancifolium roseum, with light stems and white flowers and clear rosy spots.
25. **1 Speciosum Purpuratum** or **Lancifolium Rubrum Extra.** Glossy dark purple flowers, with still darker spots and pure white margins; the finest variety of the whole Lancifolium class; very scarce.
26. **1 Thumbergianum Transiens Flore Pleno.** The double form of the Thumbergianum; very curious and scarce.
27. **1 Tigrinum Flore Pleno.** The new and very esteemed double form of the Tiger Lily; very ornamental.
28. **1 Colchicum** or **Szwitzianum.** The pure yellow, sometimes slightly spotted Lily from the Caucasus, with large pendulous flowers; one of the finest sorts; rare.
29. **1 Puberulum.** A fine California sort of the Canadense class, stout growing, yellow, with purple dots and scarlet spots.
30. **1 Brownii.** Large trumpet-shaped flower, creamy white, reddish at the exterior of the petals; always very scarce and one of the noblest amongst all Lilies.

250 Lily Bulbs for \$45 cash currency. No charge for packing.
